

GROVE

The Metrics that Matter Most

THE CHALLENGE

Too much paperwork. Not enough time.

UP TO
70%

of a child welfare worker's time is spent on documentation, not with families

THE IMPACT OF GROVE

How Grove helps agencies move forward:

- 213 case-carrying workers supported
- 14,030 tasks completed
- 9,021 hours of work returned
- 5,556 documents processed
- 767 family assessments completed
- 200+ overdue SARs completed for one county

WHY IT MATTERS

Agencies using managed services, like Grove see:

- Higher retention
- Improve compliance and documentation timelines
- More time for workers to focus on families

THE BIGGER PICTURE

One study in Milwaukee County on child welfare worker turnover showed significant drops in permanency.

74.5%
CHANCE

of permanency with **one** caseworker

DROPS TO
17.5%

chance of permanency with **multiple** caseworkers

JUST
0.1%

chance of permanency after **six** caseworkers
